

## Outreach Activity: Laboratory Visits of UG Students

“Technology is best when it brings people together”. With this spirit in mind SCEE and IEEE ihad organized a technical laboratory visit for the undergraduate students of Bachelor of Technology in Electronics and Communication department of Sri Sai University, Palampur, Himachal Pradesh, on 26<sup>th</sup> March, 2018.

Around thirty five students and three faculty members had visited IIT Mandi Campus in Kamand from Sri Sai University, Palampur and were welcomed at Kamand campus by the respective host. Since the aforementioned college was devoid of IEEE student branch/chapter, therefore the visit was first initiated with the talk on “The benefits for IEEE membership” which lasted for about half hour. The interaction session included interesting topics viz. Introduction of IEEE and its societies and further a brief introduction to IIT Mandi and its ongoing research areas were been familiarized to the students. Volunteers took students to different Electrical laboratories like; Electrical Machines Lab., Electronics & Communication Lab., Digital Electronics Lab., Control Lab., and lastly Special Electrical Machines Lab.
