

Mini Mathematics Training and Talent Search Program

(Mini-MTTS - 2019)

December 02--07, 2019

Funded by MTTs Trust and NBHM

The Mathematics Training and Talent Search (MTTS) Program is one of the most popular and significant training programs for the undergraduate/postgraduate students in India. The significance of this program among students is well noticed. The aim of this program is to promote mathematical thinking and expose young minds to the excitement of doing mathematics. The main objective of this program is to motivate and inspire the students to pursue their career in mathematics and mathematical research and enjoy the excitement of mathematics through discovery of the basic mathematical results by their own. Total number of 25 undergraduate students from Himachal Pradesh, Punjab, U.P., Haryana and Maharashtra participate in this program. Among these 19 were from various colleges of Himachal Pradesh. The resource persons for this event were Prof. G. Santhanam (IIT Kanpur), Prof. Kumaresan (IIT Kanpur) and Dr. Satyanarayana Reddy (SNU Delhi). Dr. Syed Abbas, Associate Professor, actively engaged in coordinating this training program at IIT Mandi.
